

Hand Luggage Restrictions - Italy

Due to restrictions imposed by the Italian authorities, we inform you that the use of cabin luggage on flights to and from Italy is inhibited until July 14.

Passengers may carry a personal baggage item that does not exceed 40x30x15cm and that must be placed under the seat in front of you. Thus, if you carry with you the permitted carry-on bag (up to 8kgs and 55x40x20cm) this will be changed to be carry on hold at no additional cost. Luggage should be dispatched at check-in before going to the boarding gate.

Customers with confirmed reservations for these flights are being notified with this information.
