

## QATAR AIRWAYS | ADVICE TO TRAVELLERS

Dear Agent,

We are communicating important information regarding travel to/from Lisbon.

### **Flying from Lisbon**

- Negative PCR test to be presented upon outbound flight might be necessary, depending on passenger's destination requirements
- All passengers must use face mask and face shield to board the aircraft and at all times during the flight. Exception for children from 2 to 10 years old, who should use them under adult supervision, this not being mandatory
- Check-in opens 3.5 hours before the flight
- Passengers will be submitted to temperature control on DOH airport or upon boarding the aircraft if necessary.

### **Flying to Lisbon**

- Mandatory PCR test for every passenger boarding from any origin that has Portugal as a destination, applicable to all nationalities.
- Need to present a negative PCR test that is valid for max 72 hours prior to boarding DOH-LIS flight
- All passengers must use face mask and face shield to board the aircraft and at all times during the flight. Exception for children from 2 to 10 years old, who should use them under adult supervision, this not being mandatory
- Check-in opens 3.5 hours before the flight
- Passengers will be submitted to temperature control at LIS airport upon arrival, DOH airport or when boarding the aircraft if necessary.

In addition to the above mentioned points, please be advised all passengers must keep their face shields on until the end of the trip.
